The First Day of School

The first day of school was a lot of fun. We had a scavenger hunt around the classroom. Each student in the class had to find something around the room. Miss Rosenthal taught us about our Classroom Economy. I am super excited to earn money and save up for a classroom party. I especially like the fish bowl idea. I am certain that we will fill the bowl very soon. Miss Rosenthal also began reading a book called No Talking. It is about a group of 5th graders that never stop talking so they begin a contest that is boys versus girls. I bet the girls will win. I know that I will have a blast in 4th grade and I will learn a lot of new things!
